My Dear Sir

I am sorry that the paper you have received containing the resolutions so heartily passed by our church is a mere scroll. I hope however that it is all legible. I believe that it is finished without my signature as chairman. If you could make any use of it you can signify ^{to} Fergus Fergusson - Pastor chairman as you think best -

Wishing you all success in your great work & believing that we shall meet in heaven "where there is no more sea" having been emancipated from the condemnation & power of sin by Christ the great Redeemer.

Remain

yours with respect & affection

Fergus Fergusson

I send the paper to Mr. Douglas

My dear Sir,
I have the honor to acknowledge the receipt of your letter of the 11th inst. in relation to the publication of the "Liberator" in the city of New York. I am very glad to hear that you are so interested in the cause of the colored people, and I am sure that your efforts will be successful. I have no objection to your publishing the "Liberator" in New York, and I am sure that it will be very successful. I am, Sir, very respectfully,
Your obedient servant,
Wm. Lloyd Garrison
